Use More Milk

Would You Improve the Health of Yourself and Family?

Then put into practice these suggestions, which any physician or dietary expert will strongly endorse:

1. Cut down on the amount of eggs and meat you buy. Increase the quantity and variety of vegetables and cook them in Milk, serving the vegetables in their milk juices.
2. Substitute MILK for tea and coffee. Also drink half a glass to a glass of Milk on rising and retiring.

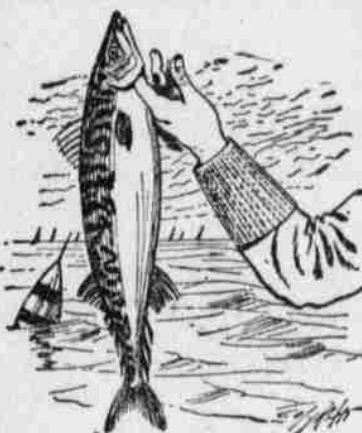

Then you will fully understand why authorities counsel you to "Use More Milk."

Though it has been defective for a considerable time, it was not believed to be weak enough to break off, and luckily it dropped at a distant part of the plant when no one was working. Two large bolts also fell with the block, which let the cables to the ground. Since another block cannot be secured until east at the Smith, Whitcomb & Cook foundry at North Barre, and the first casts to be set will be this afternoon, the shed was consequently shut down until Thursday morning. GAINED STRENGTH AND FLESH UNDER TONIC TREATMENT

Massachusetts Woman Tells of Benefit She Received from Dr. Williams' Pink Pills.

Nervous indigestion is a common ailment among Americans. It is caused by repeated indiscretions in eating, by worry, grief, overwork, or a general run-down condition of the system. It is a disease of the nerves rather than of the digestive organs and is corrected by giving needed nourishment to the nervous system by building up the blood. This is known as the tonic treatment and its benefits are attested by the experience of Mrs. S. Lewis of No. 100 College street, Springfield, Mass. She says: "I had nervous indigestion for about four years. I first noticed that I was losing flesh and felt miserable much of the time. I had severe nervous spells and suffered from pain after eating, especially in my left side. I saw Dr. Williams' Pink Pills recommended in the papers and gave them a trial. I noticed improvement while I was taking the first box and took four boxes altogether. I can truthfully say that the pills have greatly helped my stomach and that I feel better than I have in a long time and shall use Dr. Williams' Pink Pills whenever I need a tonic." Your own druggist can supply you with Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50 by the Dr. Williams' Medicine Co., Schenectady, N. Y. Write for the free booklet on nervous disorders and diet. —Adv.

GRANITEVILLE

A Challenge.

To the Single Men: Some time ago a challenge was issued by you to the married men to oppose you on the field of honor, the weapons of offense and defense to be baseball, bats and mitts.

Because, at that time, we did not see fit to pay the slightest attention to said challenge, we have since been continually subjected to all sorts of jibes and knocks to the effect that our nerve had failed us, and that as baseball players we were excellent dish-washers.
Now, we married men know that the best way to silence boisterous and saucy children is to give them a sound thrashing and we have decided to meet you on the ball field and trim you up good and proper.

So if you young Ty Cobbs and Joe Jacksons have any of your piteous nerve left next Thursday evening, just get out onto the field, trot out your pitcher and watch us proceed to paste that pill all over the lot.
Can you youngsters beat us? If you can, then a cross-eyed carpenter can knit a tombstone with a piece of limburger cheese. (Signed) Married Men.
